

# CUBE PUZZLES

GUNJAN SETHIA

## INSTRUCTOR INFORMATION :

Gunjan is a certified professional cube mentor who has taught basic and advanced cubes to many students of age group 6 years and above across India and abroad. She has also conducted cube sessions for moms-to-be in collaboration with GarbhaSanskar and trained adults through a mentor-training program According to her, solving cubes sharpens your memory, activates right and left brain functions and improves hand-eye coordination, logical thinking, patience and perseverance.
