

FOLK ART

VINITA NADKARNI

INSTRUCTOR INFORMATION :

Vinita Nadkarni, is a teacher by profession but an artist by passion. A kindergarten teacher ,arts and crafts teacher (20 yrs) and a remedial educator, she embarks onto a platform which has a wider outreach. She is fun-loving and passionate about art. She uses her experience as an early years educator to communicate the true essence of being mindful through art and help her students become aware of their strengths through the medium of colours. Sporting an endearing smile, and positive vibes, she's an instant favourite of the little ones and with those who share the same artistic aura. Vinita is all set to begin her art journey and spread good vibes with her encouraging voice and smile.

This basic course in Folk Art, Traditional paintings will help you understand the techniques used. Simple lines and curves with a bit of vibrant colours and you have a folk art painting ready to be mounted on your wall . It can be used to make greeting cards, book marks and is great for gifting ideas.
