

MANDALA ART

Instructor

RIDDHI SHAH

Allow me the pleasure of introducing Ms. Riddhi Shah, mehendi / mandala / calligraphy artist based in Mumbai. She has over 10 years of corporate experience but her heart was always in the ART. The practice of journaling her thoughts and experiences led her to think deeply more about the gift bestowed upon her. She started researching, practicing, observing various artists' design, listening to youtube videos, reading about artists' experiences in various magazines and gradually started creating her own art pieces. She is amazing at her work :D
